IMAGINE A CURE – The Beverly Hills High School Boys and Girls Varsity Soccer teams played against St. Bernard High School last Saturday as part of a fundraiser for Tower Cancer Research Foundation. The event included a powerful moment of silence with kids and fans holding their “Kicking in Honor” signs in honor of those personally touched by cancer, an inspiring speech from Mayor Julian Gold, food prepared by the Beverly Hills Fire Association and live entertainment from the BHHS band and cheerleaders. The event raised over \$14,000 which will go directly to scientific cancer research grants, community partnership programs and Tower’s Magnolia House.
