SHOP FOR A CURE — Tower Cancer Research Foundation celebrated its 2014 Spirit of Hope Luncheon and Boutique at The Beverly Wilshire this month, raising over $250,000 in the fight against cancer. For a third year in a row, the event, which is put on by The Magnolia Council, was a sell-out. The meaningful event brought together a variety of women who honored cancer survivors and those that lost their lives to the disease. Pictured (top, from left): Sally Magaram, Dr. R. Kendrick Slate (honoree) and Jean Slate; Shelley Warsavsky, president of the Magnolia Council, Gail Scher, Sheri Lubow and Nancy Mishkin, chairman of the board of Tower Cancer Research Foundation.
