**KICKING FOR A CAUSE**—The Beverly Hills High School boys and girls varsity soccer teams faced off against Windward school last Friday as part of a fundraiser for Tower Cancer Research Foundation. The event, which included an inspiring speech by Vice Mayor Julian Gold, a powerful moment of silence in honor of those personally touched by cancer, food, and live music by local rock band Sorry, raised over \$11,000, which will go directly to supporting cancer research and programs. Both matches were hard fought and spirited, with Windward winning the girls match 2-0 and the boys winning 2-1.
