

## **ProposalCentral Resources & FAQ**

[How do I Register as a ProposalCentral User?](#) (this document not only addresses how to create an account, but how to populate your professional profile but also how to connect to ORCID and sync your profile data if they already have an ORCID account)

[How do I Create an Application Using ProposalCentral?](#) (this document addresses how to access previously started applications, how to navigate the various sections of the proposal, how to use the validate feature to ensure all required items are met, and much more. It is fully comprehensive and is generalized, so the terminology might not all 100% match your application, but it is a great resource and contains screenshots where users will be able to see real examples)
